

VOLUNTARY WORK AT PARCO NATURALE ALPI MARITTIME

An ever increasing number of people are involved daily in wildlife protection and the general care of our environmental heritage.

Parco naturale Alpi Marittime believes strongly in environmental voluntary work. We are inviting citizens from all over Europe who would like to volunteer their services for free to help with the many varied activities that the Park carries out. To do voluntary work at the Park you have to be a member of a recognised association with a legal statute according to the law -

[legge 11 agosto 1991, n. 266 "Legge quadro sul volontariato"](#);

to facilitate this, the association **AMICO PARCO** was created to form a useful link between volunteers and the administration and manage the flow of voluntary work for Parco naturale Alpi Marittime.

ORDINARY MEMBERS AND ACTIVE VOLUNTEERS

Members of **AMICO PARCO** can be registered as ordinary members or “active volunteers”;

- **ordinary members** can take part in the social activities of the association (assemblies, meetings, excursions and various events) but not voluntary work as such;
- “**active volunteers**” are members who participate actively in voluntary work for the Parco Naturale delle Alpi Marittime, both taking on the jobs advertised yearly by the Park and working with Park staff at exhibitions, excursions, events, evenings in the Park and similar. These members are enrolled in a special list and are insured in case of accidents during these activities.

HOW TO BECOME A MEMBER

Anyone who agrees to respect the statutory rules and the spirit of the association and is deemed fit by the Directive Council can become a member. For minors, parent or guardian’s written consent is necessary. To enrol you need to send in an application and pay the annual subscription fee of €15 for 2010.
